

USB 40Gbps Type-C Cable

USB 40Gbps Type-C cable featuring 8K@60Hz, 240W Power Delivery (PD), length of 1 meters

USB Type-C cable featuring 8K resolution, 240W Power Delivery, and hyper speed 40Gbps data transfer capabilities.

KEY FEATURES

Supports 8K Video Resolution

Experience stunning visuals like never before with the remarkable 8K resolution support, elevating your multimedia experience.

240W Power Delivery

Empower your devices with rapid charging capabilities using the impressive 240W Power Delivery (PD) feature.

Hyper Speed Data Transfer

Unlock the full potential of data transfer speeds with the groundbreaking 40Gbps feature, allowing lightning-fast connectivity and seamless file transfers, depending on the host device being used.

Intelligent E-Marker Chip

Experience superior data transmission and enhanced device compatibility with the integrated intelligent e-marker chip feature ensuring optimal performance and seamless connectivity.

ETA Date

October 2023

SUPERB DESIGN ENGINEERING

SPECIFICATION

Application	USB 40Gbps Type-C to Type-C cable
Length	1m
Connector	Input: USB Type-C Male Output: USB Type-C Male
Max Data Transfer Rate	40Gbps
Max Resolution	8K@60Hz
Product Code	AK-CBUB67-10BK

PACKAGING INFORMATION

Net Weight (g)	28.6
Gross Weight (g)	32.1
Package Dimensions (mm)	190x110x15
Master Carton Dimensions (mm)	370x270x340
Units per Master Carton	100
Barcode	4710679552651
